

Social Media Policy:

POLICY STATEMENT:

Grays Point Activity Centre (GPAC) is committed to ensuring that technology is integrated into children's play, leisure experiences, projects and practices. We support the appropriate use of technologies by children and Educators and recognise that the children in our care will experience and engage with many forms of electronic media both in and out of the service. Our aim is to encourage all children to use and access information and communication technologies to express ideas, access images and information, and explore diverse perspectives, engaging these tools for designing, drawing, editing, and composing ("My Time, Our Place" Outcome 5). We believe that any use of social media must not place at risk the safety, health or wellbeing of children, Educators, families or visitors at the service ("My Time, Our Place" Outcome 1).
